

HIGH SCHOOL WILL PRACTICE TONIGHT

Tomorrow Fairview High Will be Here to Open Season.

The High school baseball team will begin its final practice this evening in preparation for the game in this city tomorrow afternoon with the Fairview high school. The High school nine has held several good practices this week and is expected to be in good condition to the game tomorrow.

It is yet a little doubtful who O'Casey Carpenter will send into the game tomorrow. Hamilton and Curtis will take care of the catching and first base positions, with either O. Curtis or Hess on the mound. Mills will be seen at short stop and Captain Turkovich will take care of third base. Brown is playing a good game at second base and likely will start at the keystone position. The outfield is uncertain with about a half a dozen candidates having an equal chance to get into the game.

FINANCE, OIL AND GAS

Pittsburgh

PITTSBURGH, April 19.—There was no improvement in business or prices on the Pittsburgh stock exchange yesterday, but the market was steady to firm. The largest gain was 1/2 in Columbia Gas and Electric, which sold at 33 1/2, and the only declines were 1/2 each in Fire Proofing Preferred and Pittsburgh Oil and Gas. There was nothing doing in any of the Westinghouse issues or glass stocks, and with the exceptions noted, the oil and gas group was neglected. Union Natural Gas 6 1/2 and Pittsburgh Brewing as sold unchanged at 52. Dealing in mining shares were restricted to 400 shares Pittsburgh Jerome at 85. The remainder of the list, while extremely dull, was steady to firm in tone.

CHICAGO, April 19.—British inter-pretations of war reports sent corn prices sharply downward yesterday, more than offsetting an earlier advance. The close was heavy at the same as yesterday's finish to 2 1/2 low on wheat May \$1.27 and July \$1.43 1/2 to \$1.43 3/4. Oats declined 1 1/2 to 2 1/2 and provisions 3c to 6c.

New York

NEW YORK, April 19.—The stock market's extreme dependence upon the war situation was strikingly emphasized yesterday during operations. Trading was dull and narrow in the first half of the session. But it broadened and strengthened later on news that French troops had reinforced the British along the Northern battlefield. Horts scrambled to cover and buying for the long account was evident in the general advance of 1 to 3 points. A few of the speculative issues gaining 2 to 5 points.

Oil and Gas.

On Dutchman Run, Murphy district, Ritchie county, West Virginia, the Cairo Oil Company has completed No. 3 on the Frederic Lemon farm. It is showing for a five barrel pumper in the salt sand. In the same district and on the same stream the South Penn Oil Company has drilled No. 18 on the Sarah J. Lemon farm into the same formation. It is showing for a 35-barrel producer, which is better than the average size of the wells in that district. On the same stream the Southern Oil Company is drilling No. 8 on the A. E. Ryan farm. The Freehold Oil and Gas Company is starting No. 4 on the J. E. Hammons farm. R. E. L. Frymire has started to drill a test on the S. Keith farm. In Grant district R. G. Gillespie has the well completed for a test on the J. L. Mullenax 30 acres.

J. W. Peppers, of Parkersburg, is a business visitor in the city today.
